

# Improper Use of Internet

---

## **Quran**

[24:31] Say to the believing men that they restrain their eyes and guard their private parts. That is purer for them. Surely, Allah is well aware of what they do.

## **Saying of Holy Prophet Muhammad SAW**

Verily modesty and faith are related to each other; when one of them is taken away, the other also is taken away.

## **Writings of Promised Messiah AS**

It does not behoove a pious person, who desires to keep his heart pure, that he should lift his eyes freely in every direction like an animal. It is necessary that such a one should cultivate the habit of ghadd-e basar in his social life. This is a blessed habit through which his natural impulses would be converted into a high moral quality without interfering with his social needs. [Philosophy of the Teachings of Islam]

## **Saying of Khalifa-tul-Masih V ABA**

The ninth characteristic of the servants of the Gracious God is that they do not commit fornication or adultery. This also includes watching vulgar and improper spectacles for entertainment. These days some TV channels and Internet sites show vulgarity which is tantamount to mental and visual fornication. Ahmadis should particularly shun these. [Sermon September 25, 2009]
