- Two technical fouls and the player will be ejected from the game. If a player is ejected from a second game, he will be disqualified from the remaining events. (Swearing, lying, rough play, etc...)
- **Games will begin on time** – Please do not leave the sport field, all teams are required to remain in the sport field till their next game. Teams will be disqualified if they do not arrive on time for their game.
- All referees and players must follow these rules and guidelines. If you see that a referee is not following these guidelines please stop the game and notify the sport Nazims. Do not wait till the game is over.
- If a game is played that did not follow these rules and guidelines by mistake we will not adopt the rules that were used in the previous game. We will continue to enforce the rules and guidelines that are outlined on this page. No exceptions. The sports Nazim may ask the teams to reply the game.
- Please address all questions and concerns regarding sports toward the sports Nazim; please do not take your questions to Regional Qaid as he has asked the sports Nazim and the organizing committee to address all sports issues.
- Please note that the organizers will try their best to follow these guidelines. However, they are subject to change to the Ijtema schedule if needed.

## Volleyball:

- Each team will consist of max of 6 players and a min of 4 to play, substitutes are allowed.
- All games will be 15 points long; In case of a tie you will need to win by 2 points, or till one team reaches 21 points. (Best of 3 games) The losing team will serve first in the best of three games.
- Every game will be started by a coin toss; the winner will have the option of choosing side or first serve.
- A point is granted only when your team is serving. (You can strike the ball with any part of your body)
- Team rotation is optional in beach volleyball. The server must change after every change of serve. Everyone on the team has to serve before you can serve again. If you do not follow proper server rotation you will lose your serve.
- You cannot carry or throw the ball. (Open hand hit under your chest level would be considered a carry unless it's the first hit off a hard spike, two hand open hit will still be considered a carry off the spike.)
- The server must wait for the referee's approval before serving the ball. So both teams are ready. If you serve before the referee's approval your serve will be lost.
- Boundary line ball is counted 'IN' even on a serve.
- There is no centerline in beach volleyball; you can penetrate under the net provided you do not interfere with your opponent. (You are permitted to reach over the net when blocking or spiking provided no net touch and that you do not interfere with your opponent play. If the ball is not on your side then you must wait till the opponent touches the ball first, if you touch it first then you will lose a point or possession of the ball)
- The head referee will call net touches and mishandled balls. The call will be against who touched the net first. If both teams touch the net simultaneously then the call will be against the team the ball lands on.

- Any ball, except a serve, that strikes the net and crosses over is still in play.
- You cannot block or spike a serve. (In which case a point will be awarded to the serving team)
- A player may only have one toss per serve attempt. (If you miss judge your toss and do not hit it or catch it when serving you will loose your serve)
- You have 3 hits to cross the ball over the net. (A block does not counts as a hit in 6 man beach volleyball)

If the score is still tied after each team has had a try (including extra point attempts), a second series is played, and so on until a winner is determined.
- There will be no free kicks or punting.
- Any ball that is fumbled during a down will be dead by rule once it has touched the ground. A backward pass or fumble may be caught or intercepted by any player inbounds and advanced. A player may not intentionally throw a backward pass out of bounds to conserve time or to avoid being downed. This will be penalized as an Illegal pass: loss of 5 yards, loss of down and the clock will start on the ready for play. Once a ball has touched the ground the ball is considered dead.
- If a player is in the air attempting to catch a ball, the player must contact the ground with at least one foot in-bounds with the ball in their possession prior to going out of bounds, unless contact by an opponent causes the player to first touch out-of -bounds. If a forward pass is caught simultaneously by members of opposing teams, the ball is dead at that spot and belongs to the team that snapped the ball.
- Any contact that, in the view of the official, interferes with the attempt to catch a pass (offensive or defensive player) is pass interference unless, in the view of the official, it occurs when two or more eligible receivers make a simultaneous and bona fide attempt to reach, catch, or bat a pass.
- Touchdowns = 6 points Extra Points = 1 point if successful from the 3 yard line Extra Points = 2 points if successful from the 10 yard line Extra Points = 3 points if successful from the 20 yard line Safety = 2 points Defensive Conversion on Extra Point Attempt = 3 points.
