

# Taleem Classes

Last Updated: 03/17/2017

Taleem classes are informal Taleem discussions that you should hold in conjunction with other events to discuss different topics for 15-20 minutes. This can be held **any day of the week** and are separate from your monthly meetings. For example, you could do it before or after a sports event in your majlis, at a Khuddam hangout in a restaurant or Khadim's home, between Maghrib and Isha' salat, etc. You should have a decent turnout (at least 15-20% of your Tajneed). Regular dars after salat does not count as a Taleem class reporting.

These following topics are just a suggestion. You can use them in any order or come up with your own topics/content.
